1. It is noted that this application is being handled by a different examiner, as the previous examiner is no longer employed at the USPTO.
2. All of the outstanding objections and rejections made in the Office action mailed 12/04/03 are withdrawn in light of the arguments and amendments of the response filed 03/01/04.
3. Claims 1-5 and 11-14 are objected to as they contain non-elected subject matter. As indicated in the prior Office action, only SEQ ID NOs:1, 3, and 8 have been searched and so the claims have only been examined insofar as embodiments of these three sequences. However, claims 1-5 still recite other sequences, and thus the claimed compositions are not limited to those comprising at least one of SEQ ID NO:1, 3, or 8 and one or more other of SEQ ID NOs:1-71. Further, claims 11-14 recite a plurality of SEQ ID NOs other than SEQ ID NO:8.
4. Claims 6-10 and 15-19 remain withdrawn from consideration.
5. Claims 1-5 and 11-14, to the extent that they have been searched for the elected SEQ ID NOs, are free of the prior art. No claims are allowable.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
